THE LACUNA COLLECTION

FOR CLAY IMPORTS

A lacuna is the moment before you leap into a lake, a gap with promise, an exquisite opportunity for the new. Well, yes, that lovely gap on your floor is also the ideal place to set some stylish new tiles and launch into what's next.

THE LACUNA COLLECTION

# H O U N D S T O O T H

Go bold or go classic in houndstooth, an iconic weave that is ever on trend. Once these tiles bolt up your walls, your friends, too, will want to hunt them down for their own abode.
